

Leytonstone Fire Station to stay!

Cllr Keith Rayner contacted the London Fire Brigade at the Greater London Authority (GLA), and ELPHIPA who control the Fire Service for London, to ascertain whether the rumours about the closure of the Leytonstone Station were true.

Whilst they admitted they had reviewed some 10 East London fire stations, a clear decision to keep Leytonstone Station had been made. As part of the review, Leytonstone would be possibly in line for an upgrade of its existing fire equipment.

Walthamstow Fire Station in Forest Road may be expanded and the Chingford Fire Station could be relocated or closed.

When YOU want something done it's the Liberal Democrat FOCUS Team that gets it done

Cann Hall Ward Walks

For some months the Cann Hall Focus Team has arranged Ward Walks with officers from various departments in the Council.

On a recent walk, Liz and Keith made officers aware of fly tipping hot spots in no fewer than 20 roads in the ward (e.g. Steele, Argyle, Winchelsea, Beachcroft and Sansom.)

In Tilston Close, Neville Close and Matcham, Woodhouse and Ranelagh Roads, we were told by residents about the erratic road sweeping and brown bins and black box collections.

Focus will keep you in touch with any developments.

Would You Like To Help Deliver Your Local Focus?

The Focus Team is looking for helpers to deliver the regular Focus newsletter in Cann Hall. If you would like to help in a road near your home, it only takes about 45 minutes every 6 weeks. Please call a member of the Team. Thank you.

Merry Christmas and a Happy New Year

from your Cann Hall Focus Team

High Road Leytonstone

This area has its own problems; apart from fly-tipping, commercial rubbish dumping is rampant. Your Lib Dem Cllrs made sure that council officers took notice of the premises that were offending and will be writing to them.

1car1.com

Once again complaints poured in to the **Focus Team** about this car/van rental business. Once again they were filling our already busy roads with their excess vehicles for days and weeks on end.

Lib Dem Cllr Liz Phillips wrote to the National Operations Manager complaining once again and he has arranged to remove any excess vehicles and will continue to monitor the situation. He also said that details of our complaints have been passed to the company's Human Resources Manager to assess the need to start the company's disciplinary process.

He apologised for the reoccurrence of this problem and any inconvenience caused to residents.

John Walsh/Fred Wigg Towers - update

Fred Wigg and John Walsh Towers will be having new entry phones and CCTV cameras next year.

Work is scheduled start in April 08 with completion by Sept 08.

**Your Lib Dem FOCUS Team
Service & Action All-Year-Round**

Let's Get Real and Combat Climate Change

Lib Dem councillors are to ask the council to support proposals that would see the introduction of a 'Climate Change Assessment', which

would see senior councillors report back on the environmental outcomes likely to result from their work.

Focus Team member Laura Sheppard said the proposals would make environmental considerations central to the work of the council.

Focus will let you know if other parties back our plans for a greener Cann Hall.

We want to hear from YOU

Councillor's Surgery

Cann Hall Ward councillors hold a confidential surgery every Saturday morning in

St. Margaret's Church Hall, Woodhouse Road,
from 10.00am - 12.00 noon,
(except bank holidays).

You do not need an appointment.
Just turn up.

Railway Arches across Cann Hall

Your Liberal Democrat Focus Team

has witnessed

that many of these outlets are behaving anti-socially in their day-to-day activities.

The Council will be writing to Spacia who is the Landlord of these Arches to do something about their tenants.
